This year our concept for this menu is inspired by various bars from around the world. In homage to each country and bar, we've taken their favourite flavours and distinctive spirits to create our cocktails - each unique to their own.

Alongside our cocktails from around the world, we present a selected range of specialised No.3 Gin concoctions, Sky Lounge favourites and classics, sharing cocktails, alcohol free cocktails, champagnes, wines and beers.

If you happen to fancy a drink that isn't mentioned in our menu or have a request to make your experience more special, please don't hesitate to ask.
